Dough

Ingredients: 1 1/2 cup flour, 3/4 cup salt, 1 1/2 tsp Cream of Tartar, 1 tbsp Pumpkin Pie Spice, 1 1/2 cup water, 1 tbsp oil, orange food coloring

How: Place all ingredients in a medium size sauce pan and mix well. Cook over medium heat and constantly stir for 4-5 minutes. It will begin to form into a thick ball, keep flipping and flatten it, continue cooking until it isn't sticky. Remove from heat and knead it for a few minutes (after it cools) You may need to add some flour if you did not cook out all the stickiness. Let cool, then have fun!
